O C 3 A N V I E W M I N I S T R Y

Hello Friends,

It thrills me to write to you today about the incredible things God has done here in Puerto Peñasco, Mexico through your support, and some exciting changes we are making to the organization that will enable us to do even more.

In the past ten years, Oc3an View Ministry has provided housing for numerous families, provided food for thousands of individuals in need through our weekly meal program, given clothing to hundreds of families in need, and sought to be a blessing to the larger community of Puerto Peñasco. OVM has also developed a Sports Ministry walking along side local teams and individuals helping them progress in their skills and gifts. You, our supporters, have been God's hands and arms of love in this community — whether it has been working with local churches, helping our schools and special needs programs, or throwing parties for the community.

us, and we have been praying for God to provide.

In order for our organization to grow, it made sense for us to form a US-based non-profit board: Oc3an View Ministry USA, Inc. The board is made up of pastors and volunteers in the USA who have been involved with OVM over the past years. Each of them has brought teams to Puerto Peñasco to serve and love the people here. Now, they are using their time and talents to help OVM grow.

The purpose of this new board is threefold:

1. Develop funding sources to help make OVM sustainable for the long run.
2. Work with Conrad to develop best practices and structures so the ministry can grow.
3. Give support, guidance, and encouragement to Conrad regarding the direction of the ministry.

There are also many benefits of the new board:

1. All donations will now be tax deductible!
2. We have a new and updated website.
3. The heart of Oc3ean View Ministry remains unchanged.

While we may have a new logo, our mission is the same. We will continue to care for the poor and disenfranchised and share the love of Jesus with them through meeting their physical and spiritual needs. What started from a hot dog cart in town, then moved to a ministry center and Segunda, our thrift store providing clothing and support for those in need, is still me, Conrado Flores, seeking to be used by God to love his people. Your partnership is needed more than ever. Thank you for what you have done and will be doing as God puts OVM on your heart.

Blessings,

Conrado Flores
