Preparing for Posada

Excited faces at last year's Posada.

<<First Name>>

Our community Christmas celebration — Posada — is held every year at our OVM distribution center. The event this year is on Saturday, December 13. This will be our 10-year anniversary.

We invite our ministry relationships throughout the community to attend. A few hundred children will be joining us this year. Everyone attending will receive a warm meal, with presents and candy for all the children and parents. We will also have a worship band leading us in a time of worship.

Families, pastors, directors, and school teachers are all welcomed to celebrate the birth of Christ with us.

Your special gift can help make this event a joyous outreach to our community — enabling our team to purchase food for the event and presents for each child — as we seek to share the love of Jesus in tangible ways.

November Church Mission Trips to OVM

OVM is grateful for the continued love and support of our church communities through acts of service. Churches across the region have joined us in Puerto Peñasco to pour concrete, paint buildings, build batting cages, and more!

In the month of November, we had the honor of hosting:

- Mountain View Presbyterian, Scottsdale
- City of Hope, Maricopa
- Life Church, Gilbert

If your church would like to join us on a mission trip, please contact Rev. Drew Hulse (drewh@mtviewpres.org)
