A major focus for OVM is it's growing sports ministry. Multiple teams of all ages from all over Puerto Peñasco come to the Distribution Center every night to use the batting and pitching cage.

Almost every night of the week the OVM hosts Little League, Men's Baseball, Women's Fast and Slow Pitch teams from 5 to 7pm 7 to 9pm and 9 to 11pm.

The Distribution Center is a safe place for the whole family as they gather to watch their kids learn and develop their skills in baseball and softball. While having fun, the kids get to learn the discipline of practice and what it means to be a part of a team sport. While watching their kids, the families can purchase food to eat from BackStreet Dogs.

Most importantly, through our growing sports ministry we are able to teach children, as well as adults, to give to others and the importance of having God at the center of their family home and their lives.

Your continued support will help OVM continue to reach the people of Puerto Peñasco with the tangible love of Jesus.

Thank you,
Conrado Flores

A great place for families to play together.

The new sporting goods store!

New Sporting Goods Store Opening This Year!

With the help and support of Churches and other orgs, we have built a Sporting Goods Store.

We are asking at this time from everyone to donate used sports

We all know it is very expensive to enter a child into any kind of a personal or team sport.

At our Sporting goods store will be able to sell items at a very low price. Additionally, the sales of the sports equipment will help fund our Ministry. And of course, if there is a child or an adult that would like to play but can't afford to, sports equipment will be donated at this time.
