We are just into the third month of the year, and 2026 has already brought with it a flurry of activities with multiple groups taking Mission Trips down to Puerto Peñasco, Mexico, to partner with Oc3an View Ministry.

Groups who join our organization on these trips aim to help families create safe, secure, and loving homes, as well as learn how they can be used by God in the lives of others just by saying “yes.”

The first group this year was the **Old Brothers**, a group of retired guys from all over. They have been coming each year for several years. They

There are two more groups on their way to Puerto Peñasco during the month of March. If your group is looking for a place to serve, Oc3an View Ministry has a place for you. You don't have to have great building skills. If you want to build, we will train you. Or you can do community outreach, mini-VBS programs, or work at the Distribution Center. There are all sorts of ways to be a blessing to the community.
